

CLEAN FIRE

THE NEXT GENERATION FUEL ADDITIVE

CLEAN FIRE is the premium fuel additive for year round operation. No need to carry several products to treat your diesel fuel. Your additive needs can be met with one product - CLEAN FIRE. This product contains over 90% active ingredients. One of the strongest treat ratios in the industry - 1 oz. to 12 gallons of diesel. This multifunctional additive does it all.

Field tests have proven fuel economy improvement alone exceeds the cost of CLEAN FIRE.
